(i) The Court has decreed against changing the name

To

The Hon'ble The Chief Minister,
Government of Mysore,
Bangalore.

Respected Sir,

SUB -- Change of Name of Street from Kumbarapet to Kodagi Channarayappa Street

The people of Kumbara Community residing in Kumbarapet have requested the above Sangha to move in the above matter, and so I would like to bring to your kind notice the following few lines to your favourable and early consideration ---

Ever since the beginning of Bangalore City, the above referred Street "Kumbarapet" (Main Road) was called as "Kumbarapet", and a Stone was fixed up by the Municipal Authorities

But

But, Sri K C Lakshmaiah, the Corporator of this (26th) Division, has misused his powers, for which the present Commissioner of the Corporation and the Mayor also seem to have lent their support Taking the signatures of some unknown persons to the effect that "Kumbarapet" be changed to that of 'Kodagi Channarayappa Street' after the name of his father, the said Sri K C Lakshmaiah tried his best to pass this in the Planning Committee . Without getting the approval of Government after it is passed in the Corporation Council, as per Corporation Act, on his own responsibility, he conducted the Opening Ceremony of the Street under the name of 'Kodagi Channarayappa Street The Opening Ceremony was performed on 10-4-1952 at 10-30 A.M , by the Corporation Commissioner, Sri N S Hiranyayya, under the Presidentship of the Mayor. Sri B V Lankappa

The above thing has been done without taking any

So, on behalf of the Public of the Street, particularly the Kumbara Community people, I request y o u kindly to investigate the matter

Pending the decision, Orders may kindly be passed to remove the present Street Name Stone and restore the original one

is passed in the Corporation Council as per Clause 238 of Corporation Act Sri V C Lakshmiah on his own responsibility conducted the opening ceremony of the street under the name of Kodagi Channarayappa Street The opening ceremony was performed on 10-4-1952 at 10-30 M by the former Corporation Commissioner Sri N S Hirrinniah under the Presidentship of Sri P V Lankappa

Protesting the above change the Rate-payers of that street have submitted representations to the Mayor and the Commissioner on 14th April 1952 for which no reply has been received so far In this connection the Municipal Authorities have not taken any opinion of the Kumbara Community people who are responsible for calling the street in the name of the community and this change has very much affected the rights and privileges of the people specially of the Kumbara Community

So, on behalf of the Rate-payers of the Street particularly the Kumbara Community people, we request you kindly to investigate the matter and to decide to restore the original name

SUBJECT NAMING OF STREETS

With reference to your letter No L 3395 dated 12th June 1952 and No L 4257 dated 4th July 1952, I write to state that on 20th September 1951 a memorial signed by about 100 rate payers was received to the effect that Kumbarpet Main Road which forms part of the entire Umbargundy should be renamed as Kodagi Chennarayappa Road While the matter was under investigation by the Engineering Department, Sri I C Lakshmiah, son of Kodagi Chennarayappa enquired on 3rd November 1951 about the stage at which the matter stood and requested to expedite action In this connection it may be stated that this gentleman was a philanthropist and a prominent gentleman and naming a particular road after him was considered in the fitness of things Having regard to all these factors, the Standing Committee (Town Planning and Improvements) at their meeting held on 10th December 1951 recommended among other suggestions that Kumbarpet Main Road be named as "Kodagi Chennarayappa Road" The Corporation at their meeting held on 14th May 1952 deferred the entire subject of re-naming of the roads, streets and circles

2 On the 10th April 1952 there was a poor feeding function in that area and the opening ceremony of naming the road as such, was only an accidental coincidence This was done in anticipation of the sanction of the Corporation

and Government, as the residents in the locality were eager in the matter The present move objecting to the re-naming in this behalf, has come up from an unregistered association In any case an original suit has been filed by Sri Venkatasamiappa and four others in the Court of the First Munsiff, Bangalore City and an Injunction order has also been obtained by them The matter is thus sub-judice at present

The original petitions are herewith returned

Forwarded with compliments

The under signed residents of Kumbarpet, Bangalore city begs to file the following petition regarding the change of name of Kumbarpet, by Corporation

1) The undersigned are the residents of Kumbarpet, Bangalore city There is an Association in that street by the name Kumbara Sangha. The Road called " Kumbarapet " is in existence from time immemorial; since there are manykumbaris people living in that street from a long time

3) Last year The Corporation illegally changed the name of the street to " Kodagi Channarayappa " Street", without any resolution and the residents of Kumbarpet filed a representative suit in O S No 216 of 52-53 on the file of First Munsiff court Bangalore against the Corporation not to use the new name and restore the old name The learned Munsiff after hearing the parties passed a decree for permanent injunction restraining the corporation not to use the new name of Kodagi

Channarayappas street, A copy of the decree is herewith produced

3) The petitioners found said in the Tairadu dated 27-2-53 that the corporation Council has passed a resolution to the effect that the name of Kumbarpet, may be changed to Kodagi Channarayappa street. This resolutions is against law and there is no specific reason why his name should be mentioned. , there instead of Kumbarpet, The ~~ii~~ said Channarayappa or his sons are not in any way connected with the name of the street He has not ~~f~~ done any service to Kumbarpet

4) Further the residents will be put to great difficulty by change of name so often The name of street has been mentioned in many sale or mortgage deeds to identify the propert'y. If the name ~~new~~ changed now and then, difficulty may result in identifying the properties and irrepairable loss will result.

5) Wherefore petitioners pray that the old name kumbarpet, may be continuedand permission be not granted to change its name to Kodagi-Channarayappas street. (Mat & the present corporators K C Lakshma

on the said date under the presidentship of ex-Mayor Sri B V Lankappa and opening ceremony was performed by the then Corporation Commissioner Sri V S Hiranmay a.

This was an overnight change in that, that the old tablet was removed by midnight and the new one was affixed then alone, and the opening ceremony was performed on the next morning The residents of Kumbarpet in general and the Kumbara Community people in particul were taken by surprise by this sudden change of the nam under such doubtful circumstances Thereupon, the residents made representations expressing their protest, to the Commissioner of the Corporation and the then Mayor. The Kumbaras and their Sangha situated in the same street made representations to the same effect. We received no sympathetic consideration nor reply for our request. Then the residents of Kumbarpet together with the executive members of Kumbara Sanga waited on you and submitted our representation expressing our grievances and

and requesting you to move this matter, for the restoration of the original name You were kind enough to give us a kind hearing, assuring to saf gaurd our interest

In the meanwhile, matters in the Kumoara street went from bad to worse even to the extent of harassing our community people by the interested parties, who was responsible for the change of the name Reports have also been made to the Police authorities to this effect.

Thereupon, the Kumara residents of the Street filed a representative suit in the I Munsiff Court, Bangalore, as the Corporation had not effected the change of name in accordance with the Section 238 of the Corporation Act Even the standing resolution is illegal, as it can be seen from reading the resolution (A copy of resolution is enclosed for favour of information) There was a prima facie case (under suit no 216 of 52-53) Accordingly after contested the suit was decreed in the favour of the

the Kumbaras, of the street with costs (A decree copy is herewith enclosed) The Corporation agreed to remove the newly affixed tablet and to affix the original tablet bearing the name of 'Kumbarapet'

But, So far, the Corporation have removed the new tablet, but have not purposely restored the original one In the meanwhile, the Corporation Council at its meeting held on 26-2-53 (as reported in Tainadu dated 27-2-53) passed a resolution to have the new name permanently

All this has been done by the influence of the corporator of that Division, Sri K C Lakshmaiah, whose father's name is borne by the new tablet Neither, the late Kodagi Channaveerappa was the resident of this street nor his son, the present corporator is the resident There is no significance in calling the street after Sri K C Lakshmaiah's father's name, for, he was not a great benefactor to the City of Bangalore in general and to the residents of the street in particular, nor he had done any significant contribution to the national movement for India's Independence nor for responsible Government in Mysore State

Under these circumstances, what Sri K C Lakshmaiah wants the Corporation to name this street after his father's name, is for his self-aggrandisement and for the glorification of his father and not to position to the public will We can understand and appreciate, if the Corporation had chosen to name the street after a national leader This very fact plainly shows, that Sri K C Lakshmaiah has questionable motives in doing so, which the Corporation has failed to consider We also know that the Corporation has in such no serious and

an meaningful intention to effect the change But, here, the influence of Sri K C Lakshmaiah has worked ~~their~~ part in getting the resolution passed In doing so, the Corporation, has completely ignored the interest and the feelings of the residents of the locality in general and the Kurubaras in particular, and have obliged an individual against the interest of the people This is a gross injustice and a decision against democracy

Further, our community people who live by their profession will be seriously affected A custom has grown by which the public go to the Kumbarapet to purchase pots The change of the name of the street will misguide the public, and thereby affect the profession The feelings of the Kumbaras will also be affected

Besides, the residents will be put to great difficulty by change of name so often The name of the street is being mentioned in many Sale and Mortgage deeds to indemnify the property If the name is changed, now and then, difficulty may result in identifying the properties and irrepairable loss will result

The change of name, if approved, by Government, as passed by Corporation Council, will surely disturb the peace and tranquility and would result in party feelings, specially between Kumbaras and Sri K C Lakshmaiah's party

After careful and dispassionate consideration, of the above and other factors, we have come to this irresistable conclusion, that the Corporation by changing the name will be pleasing only Sri K C Lakshmaiah, to

and Sir R Rangeah 6 advocate for the defendant.
